

LIAISON/4

Chief, St/FR, ERA

1 February 1963

Chief, GRA

Updating of Items in the Quarterly Report on Status of External Research, 1 October - 31 December 1962

1. No change for item 157.
2. The description for item 83 should be changed to read as follows:

This project, involving the production of a series of special-use map projections, including 13 azimuthal equidistant, 3 stereographic, and 4 gnomonic projections, has been completed. These projections are available for dissemination.
